### Ballantrae CDD wall pressure washing & repainting begins soon – behind your home!

Dear Ballantrae Resident:

The Ballantrae Community Development District Board of Supervisors requests your help as it begins a project to pressure wash and repaint the exterior, top and interior of all the community-owned privacy walls behind 114 homes, including yours, that back up to Ballantrae and Mentmore Blvds.

Painters will gain access to pressure wash and paint the inside of walls through open back yards or from over the back wall to the CDD's easement that extends five feet from the wall into your backyard.

We need your cooperation in providing just one foot of space out from the wall in that easement closest to the wall. That's the space needed to access the wall behind your home to clean and repaint it. Please remove all fragile and/or valuable items, clear any debris, vines or shrubs to at least one foot from the wall prior to Nov. 26. After that date, vendor Yellowstone Landscape will clear a one-foot path to the interior wall in any yard where one-foot of wall access remains blocked.

Painters will be using a water tanker outside of the wall for pressure washing. They will not need electrical or water access on your property.

The contractor performing the wall cleaning and painting work is CertaPro Painters of Tampa. This is the same contractor whose painting of our wall exteriors and tops in 2010 and interiors in 2012 was very well-received by residents. We expect them to perform equally well on this project, designed to protect our walls and to "spruce up" our community and your back yard.

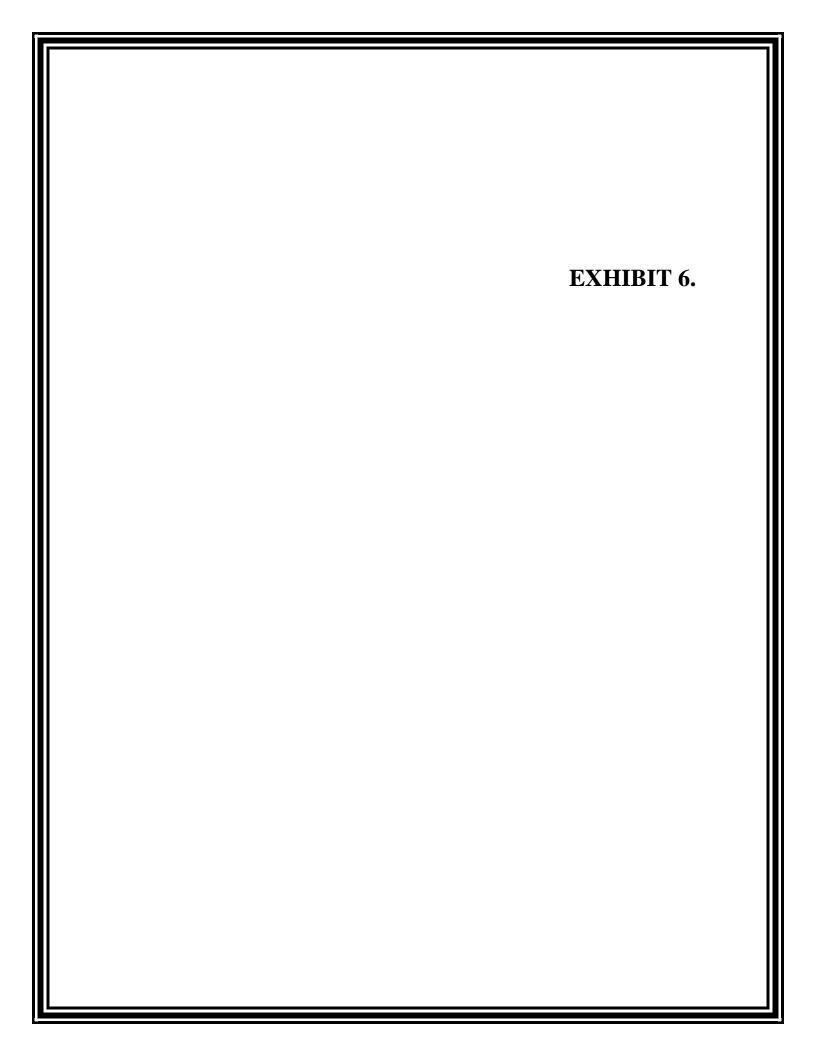

The project is weather-driven. If we have unusual amounts of rain, the project could take longer than expected. CertaPro will have two, 3-to-5 person crews on site. Each painter will wear a white CertaPro Painters t-shirt. If at any time you have questions or concerns about the project, please ask to be referred to the on-site CertaPro supervisor.

If that doesn't resolve any issues, contact Terry Beamer at CertaPro via email at tbeamer@certapro.com.

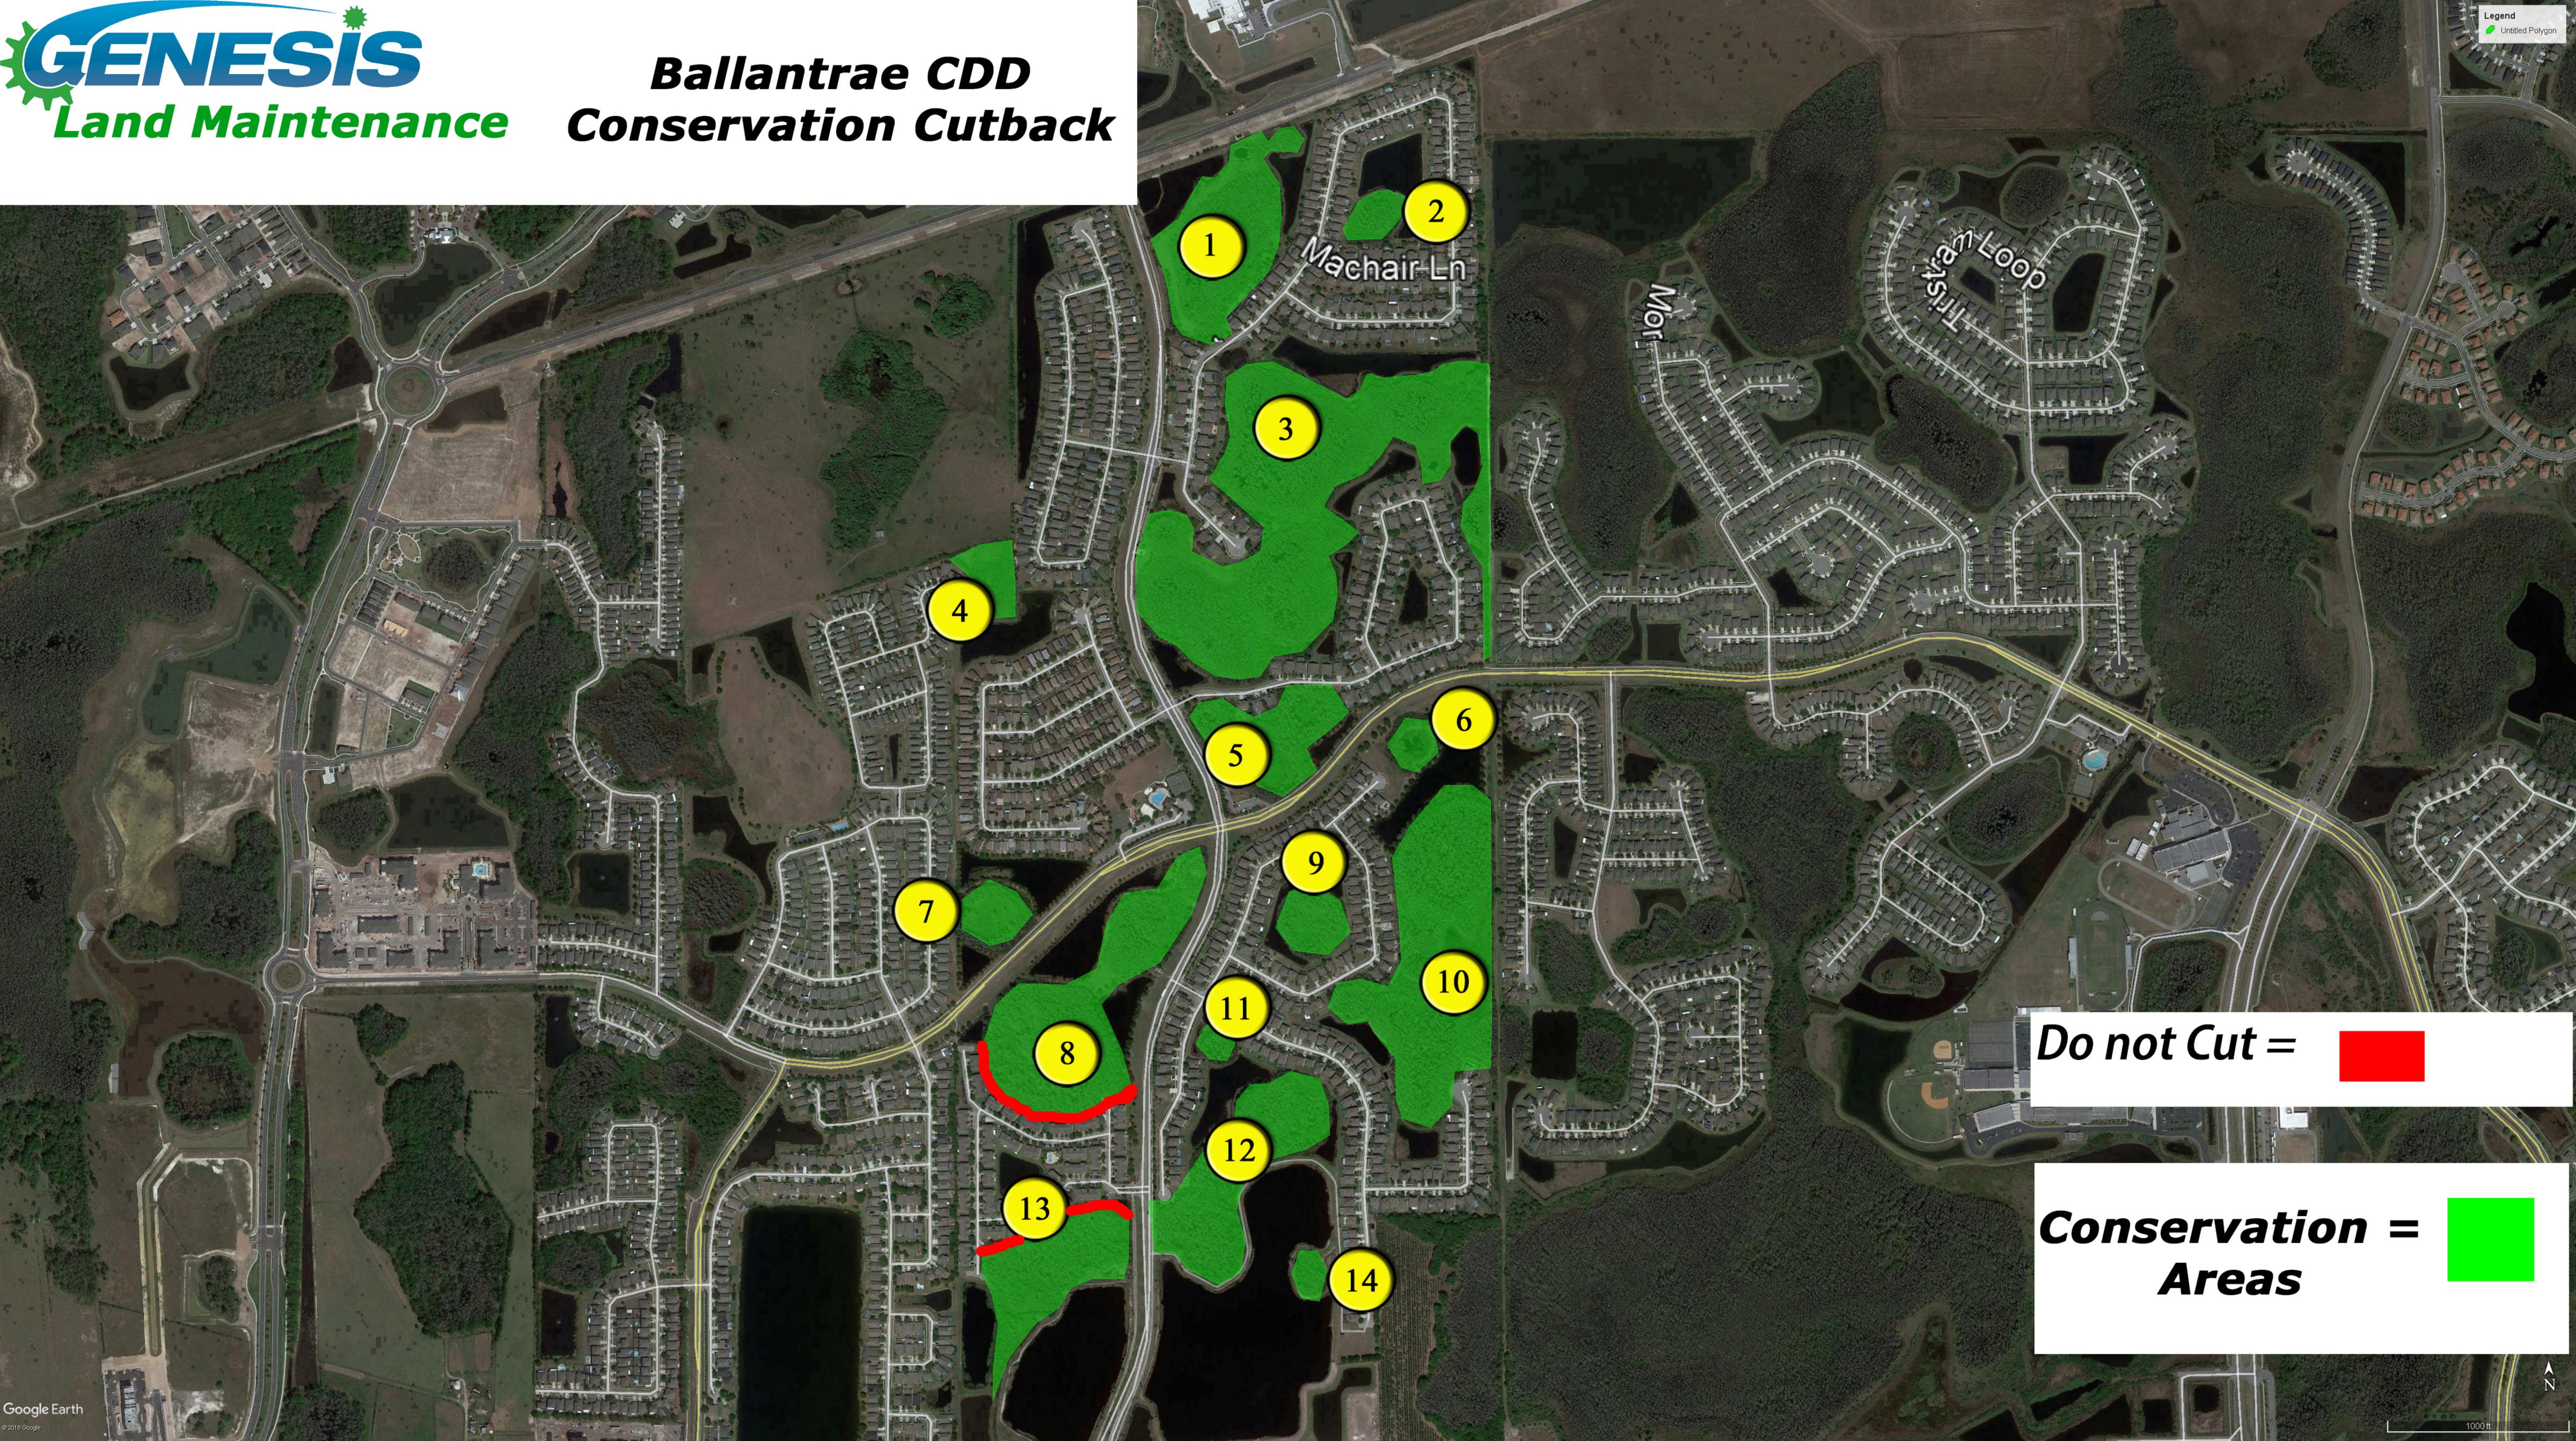

These instructions shall remain in effect until the Ballantrae CDD Board of Supervisors posts a notice on the completion of the project on the exterior side of the gate at the entrance to the clubhouse.

We thank you in advance for your cooperation in this project to improve Ballantrae and your property.
