The meeting will begin promptly at 6:30 p.m. with roll call of the Board of Supervisors. Section two is Audience Questions and Comments on Agenda Items. The Audience Comment portion of the agenda is where individuals may comment on matters that concern the District. Each individual is limited to three (3) minutes for such comment. The Board of Supervisors or Staff is not obligated to provide a response until sufficient time for research or action is warranted. IF THE COMMENT CONCERNS A MAINTENANCE RELATED ITEM, THE ITEM WILL NEED TO BE ADDRESSED BY THE DISTRICT MANAGER OUTSIDE THE CONTEXT OF THIS MEETING. The third section is called Staff Reports from District Counsel, landscaping, field manager, pond manager and District Engineer Reports. This section allows the staff to update the Board of Supervisors on any pending issues that are being researched for Board action. The fourth section is Administrative Matters section and contains meeting minutes and financial statements that require the review and approval of the District Board of Supervisors as a normal course of business. The fifth section is called Business Matters. The business items section contains items for approval by the District Board of Supervisors that may require discussion, motion and votes on an item-by-item basis. Occasionally, certain items for decision within this section are required by Florida Statute to be held as a Public Hearing. During the Public Hearing portion of the agenda item, each member of the public will be permitted to provide one comment on the issue, prior to the Board of Supervisors' discussion, motion and vote. Agendas can be reviewed by contacting the Manager's office at (813) 374-9105 at least seven days in advance of the scheduled meeting. ## **INSTRUCTIONS FOR COMPLETING FORM 1:**

**INTRODUCTORY INFORMATION** (Top of Form): If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, <u>and contact your agency's financial disclosure coordinator</u>. You can find your coordinator on the Commission on Ethics website: www.ethics. state.fl.us.

**NAME OF AGENCY:** The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

**OFFICE OR POSITION HELD OR SOUGHT:** The title of the office or position you hold, are seeking, or held during the disclosure period <u>even if you have since left that position</u>. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

**PUBLIC RECORD:** The disclosure form and everything attached to it is a public record. <u>Your Social Security Number is not required and you should redact it from any documents you file</u>. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality <u>if you submit a written request</u>.

**DISCLOSURE PERIOD:** The tax year for most individuals is the calendar year (January 1 through December 31). If that is the case for you, then your financial interests should be reported for the calendar year 2017; check that box. If you file your IRS tax return based on a tax year that is not the calendar year, you should specify the dates of your tax year in this portion of the form and check the appropriate box. This is the "disclosure period" for your report.

#### MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on <u>either</u> thresholds that are comparative (usually, based on percentage values) <u>or</u> thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. <u>You must use the type of threshold you have chosen for each part of the form</u>. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

### IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

#### PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary from serving in the position(s) which requires you to file this form. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).

 If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).

 If you received income from investments in stocks and bonds, list <u>each individual company</u> from which you derived more than \$2,500. Do not aggregate all of your investment income.

— If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

#### PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of

a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and,* 

(2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

#### PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

#### PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset-not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

#### PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

#### PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(5), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

#### PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

(End of Dollar Value Thresholds Instructions.)

## IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

#### PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary received from serving in the position(s) which requires you to file this form, but this amount should be included when calculating your gross income for the disclosure period. The income to you spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

#### Examples:

— If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).

 If you received income from investments in stocks and bonds, list <u>each individual company</u> from which you derived more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

#### PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,

(2) You received more than 10% of your gross income from that business entity; *and*,

(3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

#### Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

#### PART C — REAL PROPERTY

#### [Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

#### PART D — INTANGIBLE PERSONAL PROPERTY

#### [Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product *contained in* a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint tenants with right of survivorship should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

#### PART E — LIABILITIES

#### [Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

#### PART F — INTERESTS IN SPECIFIED BUSINESSES

#### [Required by s. 112.3145, F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You are required to make this complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

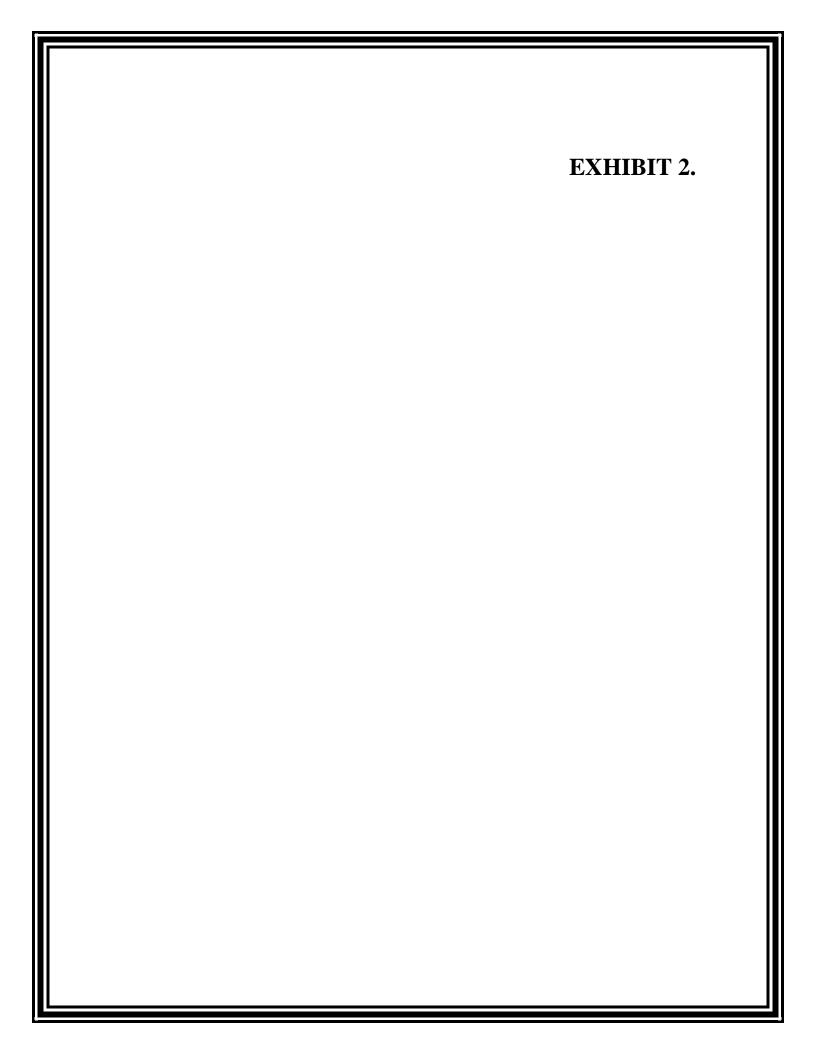

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

#### PART G - TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

#### Ray,

Thanks for taking the time to chat with me today. As discussed I have planted creeping fig along the inside of the concrete wall behind my home at 17838 Glenapp Dr. It took two years, but the creeping fig has covered the entire inside of the wall and does a great job to soften the view of the wall from my home. I did remove all of the creeping fig from the top cap of the wall this weekend so that it could be painted. However, I would like to request that the inside of the wall along the rear of my property not be painted so that I do not have to trim back the creeping fig further. Please forward my request to the board for their consideration. If you have any questions please feel free to call me.

### **RESOLUTION 2019-01**

# A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE BALLANTRAE COMMUNITY DEVELOPMENT DISTRICT AMENDING ITS 2018/2019 OPERATIONS AND MAINTENANCE BUDGET AND ASSESSMENT ROLL AND PROVIDING FOR SEVERABILITY, CONFLICTS AND AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors (the "Board") of the Ballantrae Community Development District (the "District") previously adopted its budget for the 2018/2019 fiscal year (the "Original Budget"), levied operations and maintenance special assessments in accordance with the terms outlined in Resolution No. 2018-05 and 2018-06 (the "O/M Resolutions"), and approved a budget funding agreement on certain property within the District, which resolutions are still in full force and effect; and

**WHEREAS**, at the time that the Original Budget was adopted it was anticipated that the District would be fully developed and platted during the 2018/2019 fiscal year; and

WHEREAS, based upon current projections by the District Manager, it is anticipated that the Original Budget overestimated the revenues needed for the District's operations and maintenance activities for the 2018/2019 fiscal year because the Original Budget was adopted with the anticipation that all property within the District would be developed and platted in the 2018/2019 fiscal year; and

**WHEREAS**, the District is empowered by section 170.08 and 189.016, Florida Statutes to adjust the budget and assessments based on actual expenditures and services provided to benefited properties within its boundaries; and

WHEREAS, the Board recognizes that developed and platted lots receive a direct benefit and unplatted and undeveloped lots do not receive operations and maintenance services from the District. As additional lands are platted and developed, they will get their allocation of the special assessments in future budget years based on services provided to those areas in future years; and

WHEREAS, the District Manager has submitted a proposed amended budget and assessment roll to show the reductions for the current fiscal year (the "Amended Budget"), attached hereto as Exhibit "A" and incorporated as a material part of this Resolution by this reference, along with an explanatory and complete financial plan for each fund of the District, pursuant to the provisions of Section 190.008(2)(a), Florida Statutes;

**WHEREAS,** it is in the best interests of the District to adopt the Revised Assessment Roll included in the Amended Budget; and

WHEREAS, to the extent the District needs additional funds to provide for the operations and services during the current fiscal year the developer of land within the District has entered into a Budget Funding Agreement to provide such funds as are necessary to the District to proceed with its operations.

# NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

1. <u>Recitals</u>. The foregoing recitals are hereby incorporated as the findings of fact of the Board.

**2.** <u>Authority for this Resolution</u>. This Resolution is adopted pursuant to Sections 170.08, 170.14, 189.016(2), 189.016(6), 189.016(7), 190.011(14), and 190.011(15) Florida Statutes.

**3. <u>Budget</u>**. The Board hereby finds and determines as follows:

a. That the Board has reviewed the Amended Budget, a copy of which is on the District's website, on file with the office of the District Manager, and at the District's Records Office.

# ADA Site Compliance, LLC

# Proposal to Perform Consulting Services

Date November 5, 2018 Services Performed By: ADA Site Compliance, LLC Services Performed For: Ballantrae CDD

This proposal is issued by ADA Site Compliance ("ADASC") for Ballantrae CDD and its website www.ballantraecdd.org.

# Process & Engagement

With an eye toward lower cost and ease of implementation, our proposal for Ballantrae CDD is different from that of our non-CDD clients. Typically, we combine software-based and human expert auditing to detect compliance failures on our clients' websites and PDFs. We then evaluate their accessibility against evolving web content accessibility guidelines (currently WCAG 2.1) and provide detailed reporting results. These include explanations of each itemized failure, a screen shot for visual context, and a suggested fix. Our clients then use these audit reports to make needed changes to their website quickly and efficiently. If they do not have the technical resources to remediate their own site, we will do it for them.

For Ballantrae, we propose a cleaner, easier, and less-expensive solution: we will migrate the existing site and its PDFs to an accessible theme that we have built and that we maintain. For a fraction of the usual cost, we will rebuild the site on a foundation that our Chief Technology Officer, Scott Rubenstein – who has 20 years' experience designing websites – has built himself and that we therefore know to be accessible. Regrettably, there are few, if any, ADA-accessible themes available via WordPress and other third-party platforms. This means that even the most carefully designed and executed websites are still ADA non-compliant.

To be clear, migrating to an accessible theme does not guarantee full accessibility or WCAG compliance in perpetuity; a "set-it-and-forget-it" strategy will fail, as many factors affect a website's accessibility: new content added to the site; edits to existing content; changing compliance regulations, and changes to search engine algorithms. Ours is a "best efforts" approach that recognizes the impossibility in our litigious era of fully insulating any property – electronic or otherwise – from legal claims that may or may not have merit. For that reason, once the

migration of the Ballantrae site is complete, we strongly urge you to conduct periodic audits – both technological and human expert – to affirm your site's "substantial compliance" with current WCAG standards.

# Scope of Work & Deliverables

ADA Site Compliance shall provide the following services/deliverables for Ballantrae CDD:

### Site Migration

- migration of Ballantrae's existing website to one built on ADASC's own themes that are known to be accessible and compliant with WCAG 2.1 standards
- migrated content may include, but is not limited to, pictures, text, tables, video files, and forms
- some existing functionality/content, including any provided by third-party vendors, may not be able to be directly migrated "as is" from the existing site to the newly built site, in which case alternative techniques for presenting it on the new site may be required
- review by ADASC's technical team leaders of the migrated site for quality assurance

### Customized Accessibility Policy & Compliance Shield

- indication of Ballantrae's active engagement with recognized experts in the field of website accessibility and compliance; the deliverable is uploaded to the footer of the Ballantrae website and acts as a deterrent to litigation from trolling plaintiffs and/or attorneys
- statement of Ballantrae's specific ongoing strides toward compliance with current WCAG standards to be posted on the website (links to ADA Compliance Shield)
- alternate contact info for users who claim to be stuck on an area of the website and request assistance to be posted on the website (links to ADA Compliance Shield)

### Technological Auditing

- customized and ongoing software-based auditing of the Ballantrae website
- detailed quarterly audit reports including the precise location in the code of each failure, a description of the error, and a suggested remediation step (note: this is an optional accountability and monitoring tool only; there is no action needed)
- technological audit reports capture approximately one-third of known WCAG failures and are intended as a broad diagnostic and accountability tool, not as a full compliance blueprint

### Technical Support

• continued support from ADASC's technical and design teams via email, phone, video, and (where feasible) in-person contact

# Fee Schedule

The fee for the services described above is \$3,900, one half of which (\$1,950) is due within fourteen (14) days of the execution by both parties of a Master Services Agreement (MSA). The balance is to be paid upon delivery to the client of all materials, or within six (6) months of the agreement's execution – whichever comes first.

The annual fee for Ballantrae's continued use of ADASC's Compliance Shield and accessibility policy; updates made to the accessibility policy to reflect changing standards and laws; quarterly technological auditing and reporting, and continued consulting is \$900, to be paid in full one (1) year after the agreement's execution date.

# Completion Criteria

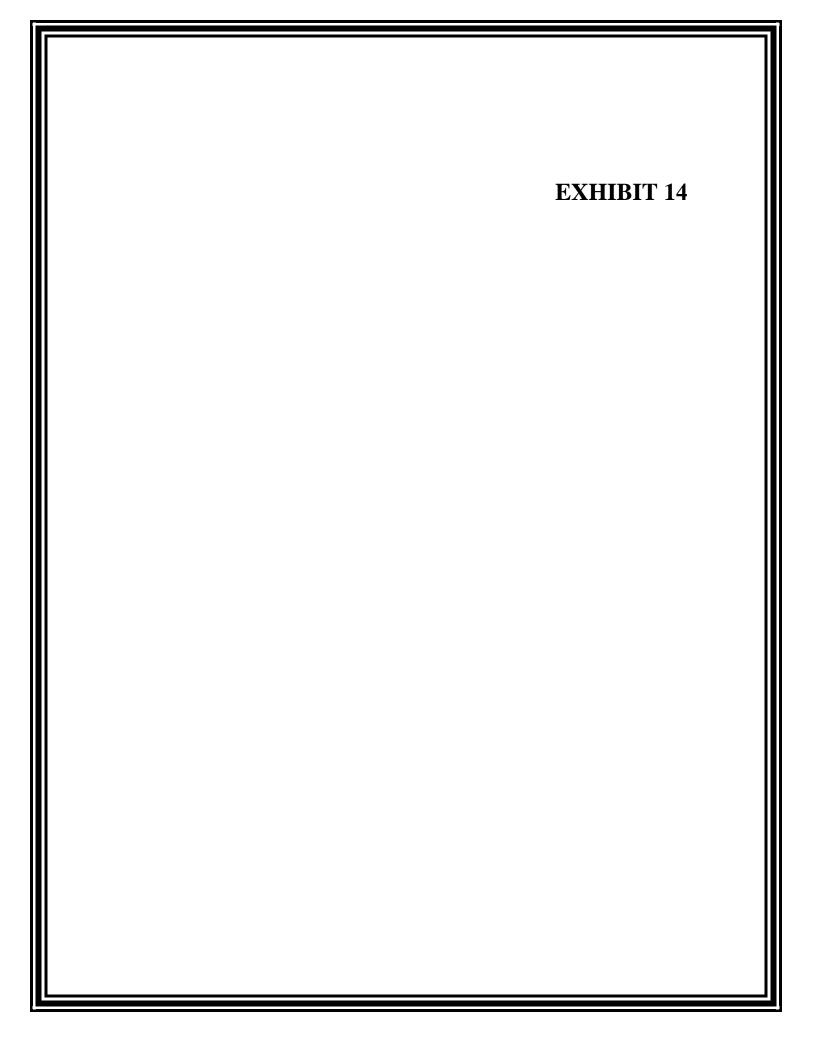

ADASC shall have fulfilled its obligations to Ballantrae when any one of the following occurs:

- ADASC has provided all deliverables above, and they are accepted without unreasonable objections. If ADASC receives no response within five (5) business days of delivery, this shall be deemed acceptance.
- ADASC and/or Ballantrae may cancel services not yet provided within sixty (60) business days with advance written notice to the other party.

# A Final Word

Thank you for the opportunity to present this proposal. We know you have a choice in whom you partner with for your auditing and compliance needs, and we look forward to providing you with outstanding service. Please reach out to us directly with any questions.

# MAKE A STATEMENT! Good or bad, your website makes a statement about your company! What statement do you make?

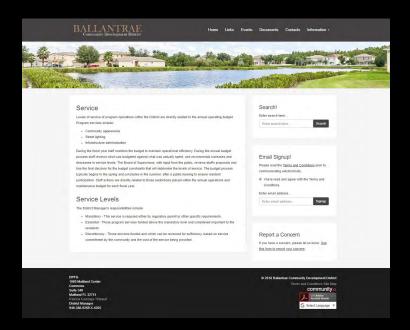

# A simple, easy-to-use web content management system.

CommunityXS is a web content management system designed and developed for neighborhoods, communities, development districts, special purpose districts and home owner's associations. We realize there are some great commercial content management systems out there, but we think they're a little too complicated and our goal is to provide a simple, purpose-driven product specifically designed to meet the needs of a community.
